INDEPENDENT AUDITORS' REPORT

We have audited the accompanying financial statements of Humanity First Canada, which comprise the statement of financial position as at December 31, 2014, and the statements of operations, changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

As is the case of most organizations in receipt of funds by donations and fundraising and related expenditures thereon, verification of such items was impractical beyond accounting for amounts recorded in the accounts of the organization, and we were not able to determine whether adjustments might be necessary to contributions, excess of revenues over expenses, current assets and net assets.

Qualified Opinion

In our opinion, except for the effect of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of the donations and fundraising and expenditures referred to in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the organization as at December 31, 2014, and the results of its operations and cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Respectfully submitted,

(e) VOLUNTEERS

Humanity First Canada heavily relies on volunteer participation. Countless hours are spent by volunteers performing various charitable activities, however, the volunteer hours i.e. time spent by volunteers are not included in the financial statements. Due to difficulty in accurately calculating the time spent by volunteers and difficulty in exact conversion into dollar figures, these amounts are excluded from the financial statements.

(f) AMORTIZATION

Amortization of the automobile has been provided at 30% of the unamortized cost. The building been amortized in the current year at the rate of 2.5% of cost.

3. FINANCIAL INSTRUMENTS

RISK

The organization's financial instruments consist of cash, GIC's, accounts receivable, accounts payable and accrued liabilities, and long-term debt. It is the opinion of management that the organization is not exposed to significant interest, currency or credit risk arising from these financial instruments.

FAIR VALUE

The carrying values of the financial instruments approximate their fair values because of the relatively short period to maturity of the instruments or because they are receivable or payable on demand.
